

School Mission:

To develop a community of lifelong learners who strive for academic excellence and to encourage positive self-esteem and responsible, caring attitudes.

School Improvement Goals:

1. To build on the success in literacy by continuing with the reading and writing programs implemented during the last three years.
2. Promote a positive attitude towards healthy living.

Informal Goals:

1. To integrate technology into the curriculum more fully.
2. To continue to offer excellent fine arts programs.
3. To continue to offer additional support for those who need it most.
4. To more fully develop programs that promote social and emotional intelligence, restitution practices, and personal growth for all students.
