## Y Strong Kids : Loonie/Toonie Fundraiser

Each year, the Y Strong Kids Campaign raises money to enable kids and families who need financial assistance to participate in Y programs such as:

- Y Summer Day Camp
- Early Years Programs
- Camp Starfish
- After School Care
- Teen Summer Memberships
- Y Swim lessons
- Power of Being a Girl and the Strength In Being a Boy Conferences

Help us raise \$100,000 to support 1000 children across Kamloops. We would like to engage the schools in a fundraiser, whereas each school hosts a Loonie/Toonie Drive. Over the month of February, schools participate by engaging their students to bring a loonie/toonie to school. 100% of all the funds raised goes directly to the kids. The Kamloops Y will provide promotional material to advertise the event.

To show our appreciation to the families who support the Strong Kids Campaign, the Kamloops YMCA-YWCA will contribute four '3-Month Family Memberships' to each school who participates. It will be up to each school's discretion as to how they give the memberships away. **For the school who raises the most money, the Kamloops YMCA-YWCA will offer a pool party!**

Thank you for considering our request.

*The Kamloops YMCA-YWCA is a trusted charity that believes every child deserves a chance to learn, to laugh, to feel respected and cared for and to feel hopeful about their future. The annual Y Strong Kids Campaign raises money so that low income kids and families can participate in Y programs with a proven impact on their health and future well-being.*
